**“CONSOLIDATED INDEX OF ARTICLES”**

The last issue contained a consolidated index of all the articles published in the IMS Bulletin (formerly the IMS Newsletter) since its inception. However, the first issue was unavailable at the time this index was compiled.

Issue 1 (1978) of the IMS Newsletter contained the following articles:

- T.J. Laffey, “*Polynomial Identities and Central Identities for Matrices*”, pages 11–16.
- F.J. Gaines, “*Matrices in Europe in the 13th and 14th Centuries*”, pages 17–23.

The following article was also omitted from the Consolidated Index:

- T. Hurley, “*Matrix: Computer Assisted Mathematics Teaching*”, IMS Bull. 16, 1986, 61–67.
-
