IRISH MATHEMATICAL SOCIETY

Ordinary Meeting

Wednesday, April 18th, 1984, 12.15 p.m., DIAS

Agenda

1. Minutes of Ordinary Meeting of 21st. December 1983.
2. Matters Arising.
3. Proposal to change Constitutional procedures for elections to membership.
4. Proposal to change rule on lapsing of membership.
5. Reciprocity with I.M.T.A.
6. Elections to ordinary membership.
7. Any other business.

Ordinary Meeting

Wednesday 22nd December, 1983, 12.15 p.m., DIAS

1. There were 16 members present. The President, A.G. O'Farrell, took the Chair. The minutes of the Ordinary meeting of 31/3/83 were read and signed.
2. The President reported that, having written to the Minister for Education concerning post-graduate awards for those with a B.A. in Mathematical Sciences from N.U.I., he had received a negative reply. However, as a result of a private conversation he had with the Minister, the President proposed to write again reiterating the points of the first letter and requesting that a mathematician be appointed to the Committee which oversees these awards.
